WHEREAS, Sections 65864-65869.5 of the California Government Code authorize the City to enter into development agreements and requires the planning agency of the City to find the proposed Development Agreement to be consistent with the policies and programs of the General Plan and any applicable specific plan. Government Code Section 65865 authorizes the City to enter into development agreements with any person having a legal or equitable interest in real property, which interest Owner has in the Site, as evidenced by the information within the Development Agreement, and attachments thereto;

WHEREAS, all other legal prerequisites to the approval and adoption of this Ordinance approving and adopting this Development Agreement have occurred.

NOW, THEREFORE, the City Council of the City of Commerce does ORDAIN as follows:

SECTION 1: RECITALS. That based upon staff reports, presentations, public testimony, and all other matters presented during the public hearing on this item, the City Council hereby finds and declares that the foregoing recitals are true and correct and incorporates them herein as findings and as a substantive part of this Ordinance.

SECTION 2: ADDITIONAL FINDINGS. Pursuant to the Government Section Code 65864 through 65869.5 and in light of the record before it including the staff report (and all attachments), and all evidence and testimony heard at the public hearing for this item, and in light of all evidence and testimony provided in connection with this Project, the City Council makes the following FINDINGS pertaining to the Development Agreement as related to the proposed disposition of the Site for purposes of the Project:

FINDING 1: The proposed Development Agreement is consistent with the goals and policies of the General Plan, its purposes and applicable Specific Plan(s).

Evidence: The proposed use is consistent with the objectives, policies, general uses, and programs of the Commerce General Plan. This project is consistent with the General Plan in that it contributes to help establish an orderly pattern of development, economic development, and a wide range of activities. The project will also improve an existing building that has been underutilized. It will improve upon that use and help compliment the general vicinity. As determined by staff, the use will promote the improvement of a location where reinvestment and revitalization is needed. Furthermore, the project will provide needed economic development to the community.

Evidence: The proposed use is one compatible and consistent within the subject zone and complies with the intent of all applicable provisions of this Title 19.

Evidence: The proposed use would not impair the integrity and character of the zone in which it is to be located. As proposed, the use will be complimentary to other uses in the immediate vicinity. As such, the proposed use will not impair the integrity of the area or its character. Appropriate conditions of approval have also been crafted in order to ensure the use operates in a manner so as not to impact the area in which it is located.

Evidence: The subject site is physically suitable for the type of land use being proposed. All proposals to accommodate the commercial cannabis use will occur within the existing footprint of the building.

Evidence: The proposed use would not be detrimental to the public interest, health, safety, convenience, or welfare. The proposed operation of the use will be conditioned to comply with all the applicable standards of the Zoning Ordinance, and with the conditions of approval, the project will not adversely impact the general welfare of the City. To the contrary, the proposed use will be complimentary to the existing operations currently occurring in the general vicinity and operated by the ownership group. Further, the proposed use will be maintained in a safe and efficient manner in accordance with the imposed conditions. The conditions imposed will serve the public interest, health, safety, convenience, and welfare. Therefore, the proposed use would not be detrimental to the public interest, health, safety, convenience, or welfare.

FINDING 2: All procedures of the California Environmental Quality Act ("CEQA"), California Public Resources Code §21000 et seq., and the CEQA guidelines, title 14 of the California Code of Regulations, chapter 3, §15000 et seq. have been satisfied and the City Council has found that the proposed Project is Categorically Exempt from California Environmental Quality Act (CEQA) requirements under provisions of CEQA Guidelines Section 15301 – Existing Facilities. This exemption applies to projects characterized as alterations to existing facilities meeting the conditions described in Section 15301.

Evidence: After a thorough examination of the Project application for the proposed Project and proposed Site, including, but not limited to, standard operating procedures ("SOPs"), security plan, site plan and environmental data form, staff determined that the approval of this Development Agreement and the related commercial cannabis uses pursuant to this Project meet the provisions of CEQA categorical exemptions.

Evidence: Pursuant to CEQA, the City Council finds and determines there is no substantial evidence that the Project could have a significant effect on the environment. The Project is covered by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment (CEQA Guidelines 15061(b)(3)). The City Council in its independent judgment finds that there is no possible significant effect directly related to the Project because the Project consists of a small addition, expansion or alteration to an existing structure where there is negligible or no expansion of the use. The City Council finds that commercial cannabis uses will have similar impacts as the uses that have already been evaluated and are permitted by right in the applicable zone. The City Council finds that the Project will not cause any physical change in the environment, that the project is categorically exempt from CEQA under Administrative Code, Title 14, Chapter 3, § 15301(a), Class 1, Existing Facilities, and therefore no further action is required under CEQA.

SECTION 3: INCORPORATION, APPROVAL AND EXECUTION OF DEVELOPMENT AGREEMENT. Based upon the findings outlined hereinabove, the City Council of the City of Commerce hereby approves a Development Agreement, and inclusive of exhibits thereof, [also identified as Commercial Cannabis Permit I.D. No. 18-036] between the City of Commerce and Claremont Capital Partners, LLC (a California limited liability company), incorporated herein by

this reference, and authorizes the Mayor to execute the Development Agreement subject to final and technical revisions as required and approved by the City Attorney.

SECTION 4: SEVERABILITY. If any section, subsection, line, sentence, clause, phrase, word, part, provision, or portion of this Ordinance, or its application to any individual, entity, or circumstance, for any reason, is held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance, and shall continue in full force and effect. To this end, any section, subsection, line, sentence, clause, phrase, word, part, provision, or portion of this Ordinance is severable. The City Council of the City of Commerce declares that this Ordinance would have been adopted by the City Council of the fact that any section, subsection, line, sentence, clause, phrase, word, part, provision, or portion thereof, might be declared to be invalid or unconstitutional.

SECTION 5: EFFECTIVE DATE. This Ordinance shall take effect on the thirty-first (31st) day after its adoption.

PASSED, APPROVED AND ADOPTED this 7th day of May, 2019.

John Soria
Mayor
