GRADING PERMIT REQUIREMENTS

1. The permittee shall give reasonable notice to the owner(s) of adjoining land(s) and building(s) prior to beginning excavations which may affect the lateral and adjacent support of the property in accordance with Calif. Civil Code Section 832. The notice shall state the intended depth of excavation and when the excavation will commence. The adjoining owner shall be allowed at least 30 days and reasonable access on the property for which this permit is obtained to protect his or her property.
2. The permittee and contractor shall be responsible and shall take necessary precautions to prevent public trespassing onto areas where impounded water creates a hazardous condition or attractive nuisance
3. All work shall be in accordance with the approved plans, the current Building Code, current NPDES requirements, and any other special requirements associated this permit or the proposed work.
