

City of Commerce Housing Element Workshop

February 28, 2023

We want to hear from you! Do you have ideas about housing in Commerce? Join us for a community workshop to share your ideas on how the City can better address housing needs for all Commerce residents and stakeholders.

Community input is critical to developing a Housing Element that responds to community needs, values and preferences. Your ideas could shape Commerce for years to come!

What is a Housing Element?

The Housing Element provides goals, policies and actions that help the City of Commerce plan for existing and future housing needs for all segments of its population and expresses community goals about housing.

Please contact Ignacio Rincon, (323) 722-4805 or irincon@ci.commerce.ca.us, if you have questions.
