AGENDA REPORT

Date: July 12, 2011

TO:

HONORABLE CITY COUNCIL

From:

CITY ADMINISTRATOR

SUBJECT:

APPEAL OF DETERMINATION BY THE CITY'S CHIEF ANIMAL

CONTROL OFFICER - MR. ALEX TRUJILLO'S DOG IS A "DANGEROUS

ANIMAL"

RECOMMENDATION:

That the City Council upholds the determination by the City's Chief Animal Control Officer, as permitted under the City's Municipal Code ("CMC").

MOTION:

City Council's discretion.

BACKGROUND:

On June 10, 2011, the City impounded a dog belonging to resident Alex Trujillo. The impound action was the result of a report that the dog had bitten its owner's brother and then killed a resident's cat. On June 29, 2011, the Chief Animal Control Officer conducted a hearing pursuant to the Commerce Municipal Code ("CMC") in order to determine whether the dog was a "dangerous animal." After considering the evidence and hearing arguments made by Mr. Trujillo and others on his behalf, the Chief Animal Control Officer determined that the dog was a dangerous animal and should, pursuant to the process provided by the CMC, be humanely disposed of. Mr. Trujillo has requested an appeal of the termination. Mr. Trujillo has also stated his desire to remove the dog from the City of Commerce.

On July 7, 2011, Mr. Trujillo was served with a notice that the City Clerk scheduled an appeal for hearing by the City Council for Tuesday, July 12, 2011, at 3:30 p.m., in the City Council Chambers.

ANAYLSIS:

The CMC provides that if a dog bites a human being or other animal, it may be considered a "dangerous animal." Unless mitigating evidence is produced that causes the City Council to conclude otherwise, the Chief Animal Control Officer's determination should be upheld.

Section 8.06.040 (f) (1) of the CMC provides that:

If a dog or other animal has been impounded or confined pursuant to Section 8.06.030 and its license or permit has been revoked pursuant to subsection (e) (1) of this section and the owner or custodian wishes to reclaim and remove it from the city, the chief animal control officer shall release it provided that the dog or other animal is taken to its new location immediately and directly upon its release from impound or confinement. Failure to remove the dog or other animal permanently, immediately and directly from the City upon release from impound or confinement is a misdemeanor. All pound fees shall be paid prior to the release of the dog or other animal.

Mr. Trujillo has expressed his desire to pick up the dog and remove it from the City. City staff has been advised that he has done so and paid impound fees. If he has removed the dog, as required by the CMC, this appeal may be moot. City staff will have a further report on the status of the removal of the dog at the time of the appeal hearing. If the dog has been removed and Mr. Trujillo has decided to abandon his appeal, the Chief Animal Control Officer's determination will remain in effect and Mr. Trujillo shall be allowed to keep his dog so long as he does not bring it back to the City of Commerce.

FISICAL IMPACT:

The total costs thus far to the L.A. County Department of Animal Control are approximately \$581. If Mr. Trujillo chooses to picks up his dog and removes it from the City, he will be responsible for \$274; the City will pay the remaining \$307. If Mr.Trujillo chooses instead to proceed with his appeal, and if the City Council upholds the decision of the Chief Animal Control Officer to relinquish custody to the L.A. County Dept. of Animal Control, the cost to the City will be \$581, plus \$18 per day while the County retains full custody of the dog, plus \$25 if the dog requires to be euthanized.

RELATIONSHIP TO 2009 STRATEGIC GOALS:

This report relates to 2009 strategic planning goal: "Protect and Enhance the Quality of Life in the City of Commerce", as it addresses a community public safety issue of concern.

AGENDA REPORT

Meeting Date: 7/12/2011

TO:

HONORABLE CITY COUNCIL

FROM:

CITY ADMINISTRATOR

SUBJECT: ANNUAL REVIEW OF FEE SCHEDULE

RECOMMENDATION:

Receive and file the report and provide appropriate direction as deemed necessary.

MOTION:

Council discretion.

BACKGROUND:

The City Council approved the formation of a Blue Ribbon Advisory Panel on December 15, 2009, to review the City's existing fee structure and provide recommendations for possible fee increases. The Council conducted a workshop with the Panel on June 8, 2010, to review the Panel's report. On June 15, 2010, the Council directed staff to structure a three-year phased-in approach for the implementation of the fee increases and/or new fees proposed by the Panel. On June 25, 2010, the Council reviewed and acted on each of the recommended fees in the report and directed that the appropriate Resolution be drafted.

Resolution No. 10-49 adopting the City of Commerce Fee Schedule was approved and adopted by the Council on July 6, 2010. The Fee Schedule was amended on September 28, 2010, [Resolution No. 10-64, Rental of Meeting Rooms - Employees], November 2, 2010 [Resolution No. 10-81 - Activity Card - Employee Family Members and Activity Card - Non-resident Grandchild] and May 17, 2011 [Resolution No. 11-37 -Advance Rental of Picnic Shelters - Non-resident (Bandini and Bristow Parks)].

At its meeting of June 8, 2011, the Council approved the concept of a three-tier resident card, which will enable residents to pay most program fees up front on a annual basis at the time they purchase their cards and eliminate the need to collect program fees at the parks and the involvement of Community Safety Specialists in the transportation of cash. Further, the Council directed that the Fee Schedule be amended to reflect the new three-tier resident card system.

ANALYSIS:

It is recommended that the Council conduct an annual review of the City of Commerce Fee Schedule adopted by Resolution No. 10-49, as amended, prior to implementation of the second year of the phased-in increases and/or new fees not affected by the new three-tier resident card system.

FISCAL IMPACT:

During the 2010-11 fiscal year budget process, the Blue Ribbon Advisory Panel had recommended increases or new fees to the City's fee schedule totaling \$640,000. It was recommended that the Council consider a three-year phased-in approach to the modest fee increases or new fees suggested by the Blue Ribbon Advisory Panel. AGENDA REPORT – 7/12/2011 Annual Review of Fee Schedule Page 2 of 2

Based on all the City Council decisions made, staff implemented a discount rate for the first 12 months, believing that this is the timeframe needed to more accurately gauge the impact of any revenue increases — amounting to a projection of approximately \$282,024. Although 12 months of revenues haven't been recognized, staff believes that the aforementioned estimate will be attained.

On June 8, 2011, the City Council approved a proposal from the Parks and Recreation Department to introduce a three tier resident card that will charge a one-time flat fee for participation in various programs. Based on this approach, staff is projecting that the revenue from the sale of resident cards (\$157,980) plus revenue collected for specific program fees that will continue to be charged (\$101,419) will total \$259,399. This will result in a net increase in revenue of \$30,134.

Staff will return to Council (when the books close – usually at the end of August) with a report highlighting the final numbers specific to all the fees delineated in the fee schedule the City Council adopted on July 6, 2010.

RELATIONSHIP TO 2009 STRATEGIC GOALS:

This item is associated with Council's goal of making financially and economically sound decisions consistent with economic conditions.
